He shall thereafter return one copy of the list approved as aforesaid to the assessee who shall, unless otherwise directed by the proper Officer, determine the duty payable on the goods intended to be removed in accordance with such list.

The normal quantum of production during a given time so determined by such officer shall form the norm. The assessee shall, if so required by the said Officer, be called upon to explain any shortfall in production during any time as compared to the norm. If the shortfall is not accounted for to the satisfaction of the said officer, he may assess the duty due thereon to the best of his judgment, after giving the assessee a reasonable opportunity of being heard.
